

# Account Director Cover Letter

27171 Bechtelar ParkwayKrajcikfurt, MT 99945-9149

**Dear Greer Gorczany,**

I submit this application to express my sincere interest in the account director position.

In the previous role, I was responsible for the medical and scientific expertise in assessing and interpreting clinical studies and data as well as additional external medical and scientific information which can be translated and used in commercialization activities including development of clinical claims, advertising claims, promotional claims and new product opportunities to support the company's objectives for US upper respiratory brands;.

Please consider my experience and qualifications for this position:

- Previous experience of selling to HR, or selling research solutions
- Highly skilled at listening to clients' needs and producing solutions to fit
- Native level Japanese, and Intermediate English
- A compelling background building sell-to / sell-through / sell-with relationships, ideally with global partners
- UK Planning experience
- Marketing and/or sales capacity within the managed markets function of a bio-pharmaceutical company
- Experience working within a managed care organization
- Management consulting within healthcare practice

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Dallas Padberg
