

Account Engineer Cover Letter

22207 Noel LockBobbyehaven, OH 32759

Dear Alexis Bins,

Please consider me for the account engineer opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for tier-3 support for F5 Global Services with SDC as the primary product and BIG-IP as secondary.

Please consider my experience and qualifications for this position:

- Punctual, tenacious, persevering, use initiative
- Graduate Electrical or Mechanical engineer
- HSE or maintenance experience
- Familiarity with machine learning, big data analysis, cloud storage
- Experience in the design and implementation of products using ASIC or FPGA technology
- Skill in Verilog and/or VHDL coding and optimization
- Self-motivated and able to work effectively without supervision
- Experience in the application of high level design tools OpenCL

Thank you for taking your time to review my application.

Sincerely,

Alexis Zieme
