

Account Manager / Relationship Manager Cover Letter

63047 Grant ValleyNorth Brittny, KY 79736

Dear Marion Champlin,

I submit this application to express my sincere interest in the account manager / relationship manager position.

Previously, I was responsible for answers to customer questions about partner offerings, services and technical aspects of their platforms and products.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Healthcare or IT Networking background strongly preferred
- Experienced Chef/Manager within the hospitality industry
- Understanding of government funding environment
- Knowledge of organisational learning and development
- Can aggressively find new opportunities and close business deals
- Self-starter, self-managed that can influence decisions at various levels of an organization
- Demonstrate excellent verbal and written communication skills – can communicate effectively one-on-one or when presenting to small and large groups
- Experience in project management, planning and coordination

Thank you for your time and consideration.

Sincerely,

Royal Lemke
