

Account Operations Manager Cover Letter

55780 Bosco Pike New Neryside, WV 31088-3060

Dear Emery Grimes,

I would like to submit my application for the account operations manager opening. Please accept this letter and the attached resume.

Previously, I was responsible for microsoft System Operations Center platform as a service to the Digital Services Organization and Vertiv Corporation.

My experience is an excellent fit for the list of requirements in this job:

- Strong background in municipal and utilities and public private partnerships preferred
- Prior experience working in the insurance, warranty or service provider industry highly desirable
- Sales experience with public private exposure and financial exposure to budget / forecast development
- Experience with technology businesses like ours, solving complex business challenges
- Passion for problem solving and program management
- BA or BS or equivalent in business, sales / marketing or related business
- Project Management experience preferred and working knowledge of Power point, Word and excel
- Understand the client's key business drivers, focus the team to ensure priorities are aligned with the account deliverables

I really appreciate you taking the time to review my application for the position of account operations manager.

Sincerely,

Marion Labadie
