

# Accounting Manager / Supervisor Cover Letter

465 Metz SpringLake Mark, NH 09672-9868

**Dear Ryan Kshlerin,**

Please consider me for the accounting manager / supervisor opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for resolution of issues (through ticket management) with applications and software systems used at locations, such as Enterprise Resource Planning (ERP) [Impulse, SAP], material handling systems and configuration center equipment.

Please consider my experience and qualifications for this position:

- Financial statements consolidation experience
- Expertise in financial statement preparation
- Provide regular review and analysis of balance sheets and income statement accounts
- Team up with FP&A and accounting management to develop relevant, timely reports on financial data analytics like the monthly flash report, key financial metrics, and actual spend against budgets/outlook
- Deep understanding of financial reconciliation
- General familiarity with management
- General ledger experience highly preferred
- Adeptness in cash management

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Peyton Cronin
