

# Accounting Project Manager Cover Letter

689 Veta IslandsGerardborough, SD 62686-3149

**Dear Finley Ryan,**

I am excited to be applying for the position of accounting project manager. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for technical accounting analysis on a variety of topics including consolidations, revenue recognition, business combinations, stock-based compensation, etc.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Create visually compelling PowerPoint presentations
- Have strong excel analysis skills
- Have worked with an Accounting team
- Experience in lease and loan accounting systems
- Is familiar with SAP Business Intelligence
- Problem solving skills with a natural curiosity about complex matters
- Manage risks/issues with enterprise related projects
- Deliver large cross-functional projects on reporting, data warehouse and/or accounting/finance

**Thank you for considering me to become a member of your team.**

Sincerely,

Rowan Gottlieb
