

# Accounting Team Lead Cover Letter

12016 Daren Summit Morastad, LA 78513

**Dear Morgan Funk,**

I submit this application to express my sincere interest in the accounting team lead position.

Previously, I was responsible for accounting guidance and support to the colleagues (Accounting, HR, Business, Tax, IT etc.) in case of specific topics or business model changes, local French legislation changes, IFRS changes.

Please consider my qualifications and experience:

- Demonstrated SAP or any large complex ERP (People Soft JD Edwards, Oracle) experience preferred
- Working knowledge of corporate level accounting principles, credit and collections, strong adhoc reporting skills
- Knowledge of high volume national accounts, with multiple locations
- Knowledge of accounts payable, accounts receivables, cash management, and invoicing/billing
- Previous effective leadership experience
- Previous airline, travel agency and/or auditing experience
- Competency with the Microsoft Office programs, knowledge of Sabre, ARC Memo Manager and COMPASS/DRS, BSPLink, ATARI and Sabre electronic ticketing and PNR data
- Familiar with passenger ticketing, fare rules, pricing, reporting and ticket processing

**I really appreciate you taking the time to review my application for the position of accounting team lead.**

Sincerely,

Spencer Gutkowski
