Dear Spencer Prosacco,

In response to your job posting for accreditation manager, I am including this letter and my resume for your review.

Previously, I was responsible for direction and oversight for regulatory and accreditation compliance including The Joint Commission (TJC), Accreditation Association for Ambulatory Health Care (AAAHC) , State and Federal agencies.

My experience is an excellent fit for the list of requirements in this job:

- Provide Learning analytics to allow meaningful interaction and decisions
- Ensure that the competency framework model is utilised by Line to inform the Learning Plan for the specific area
- MS Office proficient, especially Excel
- Strong clinical Quality experience
- Proficiency in HEDIS
- Strong experience of NCQA, CMS, and state and federal accreditation guidelines
- Knowledge of Joint Commission Standards and State Licensing requirements preferred
- Experience with computer based tools such as E-mail (Outlook), Excel, Word, Access

Thank you for considering me to become a member of your team.

Sincerely,

Phoenix Luetgen
