

Acquisition Manager Senior Cover Letter

271 Peg Skyway
Port Billy, MD 65416-7351

Dear Cameron Corkery,

In response to your job posting for acquisition manager senior, I am including this letter and my resume for your review.

Previously, I was responsible for support and expertise in the area of air charters, including 747's, MD-11s and other types of charter aircraft.

Please consider my experience and qualifications for this position:

- Innovation, creativity and thought leadership with a focus on driving results and a track record of successful project management and delivery
- Results-orientated with good analytical skills and financial acumen, solid understanding of card economics and financial concepts
- Working knowledge of Mobility aircraft/platforms
- Knowledge of financial management and analysis, specifically in healthcare finance
- Knowledge of LifePoint accounting policies and standard chart of accounts preferred
- Knowledge of Business Objects highly preferred
- In-depth knowledge of HCA systems preferred
- Act as lead the FP&A business partner to the Brand, Media, and Market Research teams in developing targets, assumptions and strategic goals to be incorporated in the annual budget and planning process

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Rory Mosciski
