

Acquisitions Analyst Cover Letter

6614 Cherlyn Drive North Lesleyborough, MA 46042-9757

Dear Bellamy Barton,

I am excited to be applying for the position of acquisitions analyst. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for and develop key insights and create customized dashboards using Excel, Google Sheets, and DataStudio.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Fluent Spanish (preferably Mexican Spanish) and English mandatory
- Commercial acumen with good understanding of energy markets, power generation economics and/or gas markets economics
- Assist in capital raising initiatives which will include preparation of financial models and projections the preparation of detailed financing memorandums and presentation materials
- Deep understanding and appreciation for the CRE business such that she/he is able to intuit needs of a project she/he is working on
- Very proactive, self-starter with a team player attitude and strong organizational skills
- Tech-savvy and confident with using software and the internet to find needed information in a time sensitive environment
- Preferred) B.Sc
- Advanced proficiency in data management, including Excel (VBA, Pivot) and enterprise data warehouse solutions (BigQuery)

Thank you for your time and consideration.

Sincerely,

Dylan Buckridge
