

Activity Therapist Cover Letter

1748 Joey LightsRosariofort, NV 08809

Dear Casey Powlowski,

I submit this application to express my sincere interest in the activity therapist position.

Previously, I was responsible for individual and group therapeutic interventions to individual cancer patients, family members, and staff in the form of mind-body therapies.

Please consider my experience and qualifications for this position:

- Demonstrated skill in assessment and treatment in adjunctive therapy for which holds specialization
- Communication skills necessary to communicate to patients, team members, family members, and agencies
- Requires frequent pushing, pulling, kneeling, grasping, twisting, and bending
- Requires hearing and vision to be correctable to fall within normal range
- Be licensed or certified in Recreational Therapy, Music Therapy, Art Therapy, therapeutic activities, or per state requirements
- CTRS/NCTRC Certification highly preferred
- Interpersonal skills to successfully interact with patients, families, hospital staff, community agencies
- CTRS, ATR or BC, as specified by specific discipline professional certification guidelines

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Campbell Cummings
