

Activity Cover Letter

82511 Predovic FortBlickland, WA 53511

Dear Azariah Lesch,

I am excited to be applying for the position of activity. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for strategic and technical guidance and direction on the design and implementation of project activities related to their technical area of expertise.

Please consider my experience and qualifications for this position:

- Maintain professional demeanor with staff, individuals supported and outside team members
- Working knowledge and experience with recreation activity process, including assessment, including conducting groups
- Good understanding of current processes in Dries, Mixing, Chunk Making, Filling, Thermal Processing, Packaging, and Disposal
- Understanding of the site's Calibration needs
- Prefer experience in food and or related industries or experience in a technical support area such as Engineering, Quality Control, R&D, or Laboratory Services is acceptable
- Training in communication with visually and hearing impaired individuals aphasic individuals is preferred
- A known champion for creating a culture that is resident directed, focused on identifying and highlighting resident strengths, creating an environment that restores one's purpose and allows opportunities for being well-known and belonging in the community
- Lead and track the Resident Welcome Home Program assuming partial responsibility for resident satisfaction within the first 90 days

Thank you for considering me to become a member of your team.

Sincerely,
