

# Admission Nurse Cover Letter

7066 Feest CampSouth Blanchborough, ME 43668-7866

**Dear Blake Larson,**

I submit this application to express my sincere interest in the admission nurse position.

Previously, I was responsible for clinical supervision (precept) to those students as required by state and federal laws and regulations, with the goal of enhancing their knowledge and skill.

My experience is an excellent fit for the list of requirements in this job:

- RN needs to be flexible, approachable, collaborative and always seeking to improve
- RN needs to demonstrate strong leader skills and be self-motivated
- Current and valid license to practice as a Registered Nurse (mandatory)
- Minimum of 6 months of nursing experience in an Acute Care Facility or Skilled Care Facility Successful completion of Hospice orientation
- Demonstrates competency at the anticipated skill level in the provision of direct nursing
- A current PA RN / Registered Nurse license
- "Applicable Experience" defined as working as an RN in Pre-Admission Testing (Pre-Surgical Testing or Pre-Anesthesia Testing)
- Current BCLS and ACLS issued from American Heart Association

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Sutton Skiles
