Advanced Support Cover Letter

29069 Giuseppe HarborsEast Cherishberg, MN 83842-5713

Dear Morgan Weber,

I would like to submit my application for the advanced support opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for reactive onsite/remote technical assistance in cooperation with Oracle Global Support and Product Development for problem analysis and investigation.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Sound understanding of advanced analytics techniques
- Ownership of workstreams, with limited direction and support
- Technical Capabilities in IP Network, Unified Communication (Voice and Video), Transport Network (Ethernet, Microwave, Satellite) and Access Network
- Tolerance stress situation
- Innovation & Transformation skills
- Current verification on file with Professional Resources for the specific course taught
- Tertiary education in emergency health care (Btech / Ndip Emergency Medical Care)
- Current Registration with HPCSA or international equivalent (will be an added advantage)

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Zion Fisher
