

# Advertising Project Manager Cover Letter

457 Morar PortTempiebury, MA 27194-1509

**Dear Casey Wiza,**

I am excited to be applying for the position of advertising project manager. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for in-house digital creative agency and digital asset production support (visual assets, UX flows, wireframes of HLRP webpages / web properties etc.).

My experience is an excellent fit for the list of requirements in this job:

- Strong experience presenting to clients and demonstrated communication skills
- Experience influencing and gaining buy-in from executives sponsors, team members, stakeholders and peers
- Demonstrated experience in managing projects of high complexity to successful completion
- Expertise in agency creative development and production processes including digital media, websites, mobile, and social marketing
- Detail-oriented, organized and able to prioritize tasks and team assignments
- Experience of managing complex clients with multiple touch points
- Experience using marketing and social media tools would be well regarded
- Experience of the Luxury sector would be an advantage

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Sutton Mueller
