

Advisory Strategy Cover Letter

7171 Reichert Throughway South Teodoro, SD 92385

Dear Denver Jast,

In response to your job posting for advisory strategy, I am including this letter and my resume for your review.

Previously, I was responsible for thought-leadership by identifying strategic topics and presenting compelling ideas for research evaluation to the Corporate Strategy organization.

Please consider my qualifications and experience:

- Significant experience in multitasking/cross-functional collaboration
- Experience working with geographically dispersed teams and achieving deliverables through collaborative means
- Binding Corporate Rules
- Investigations and investigatory responses to data privacy and security incidents with regulatory agencies
- Communicate in an organized and knowledgeable manner in written and verbal formats, delivering clear requests for information and communicating potential conflicts
- Demonstrate aptitude for conducting quantitative and qualitative analyses of large and complex data
- Collaborate with clients
- Financial services experience, preferably with a focus on business strategy, business development or sales execution within asset management

I really appreciate you taking the time to review my application for the position of advisory strategy.

Sincerely,

Drew Legros
