

# After Sales Manager Cover Letter

77505 Marvel Points Malliestad, WI 98714

**Dear Peyton Sawayn,**

I am excited to be applying for the position of after sales manager. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for an improve technical trainings (Fuseology) on our automotive products in front of our customer, Sales organization and authorized sales reps including distributors.

Please consider my experience and qualifications for this position:

- To manage the strategic partnerships with OEM's and ODM's repair suppliers across Insurance and Channel Returns Operations
- The role holder will also support and contribute to the implementation of Supply Chain and customer strategies
- Good understanding of Supply Chain systems and processes
- Experience in people management, able to think creatively and give direction
- Basic project management – successfully build, manage and execute project plan
- Good communicator and well developed interpersonal skills to lead conference calls and team meetings provide articulate updates to the BTSC senior leadership team
- Experience to deliver change management programmes through robust people engagement and transition management within their operational scope
- Has the gravitas to manage challenging individuals and difficult people situations

**Thank you for your time and consideration.**

Sincerely,

Charlie Marks
