

After Sales Manager Cover Letter

264 Margarito PineLake Vitoton, VA 45535

Dear Brooklyn Gerlach,

In response to your job posting for after sales manager, I am including this letter and my resume for your review.

Previously, I was responsible for input into budgetary and planning processes and monitor performance against budget, taking appropriate action to address any variances.

My experience is an excellent fit for the list of requirements in this job:

- Educated in technical equipment both theoretical and practical (mechanical and electrical)
- Proven technical sales skills
- Prior experience with an OEM calling on dealerships or working with dealerships from a customer relations and automotive repair perspective
- Drive Area retail parts and accessory sales, service loyalty, and customer satisfaction objectives
- Operate as subject matter expert for answers to dealer questions on After Sales topics
- Proven record of leading engagement and effecting change within automotive dealerships, dealer groups, and complex corporate organizations
- Ensure customers receive a premium service experience synonymous with the Audi brand values
- Collaborate with the Area Team and regional management to ensure dealers meet Audi Business Fundamentals requirements

Thank you for taking your time to review my application.

Sincerely,

Oakley Turcotte
