**Dear Zion Ward,**

I submit this application to express my sincere interest in the after sales manager position.

In the previous role, I was responsible for recommendations to support business development and manage brand, product and segment strategies for the Asia Pacific automotive refinish market.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Professional verbal and written communication skills, along with strong interpersonal, presentation and negotiation skills
- Proven success building relationships with customers
- Proficient in the use of Laptop computers and Microsoft & Outlook programs
- Proficient in training and mentoring other employees
- Oil and Gas experience – especially in Gas Processing, Production, Equipment, Gas Compression – Aftermarket Services
- Understanding of gas compression and engine OEM pricing structure
- Bachelor or higher in Business Administration or Marketing with relevant majors
- High willingness to learn, poses a positive, self-motivated outlook coupled with the analytical, strategic thinking and emphasis on building team spirit

**Thank you for considering me to become a member of your team.**

Sincerely,

Emerson Gislason
