

# Agent Manager Cover Letter

68181 Etsuko MeadowNorth Rutha, TX 58927

**Dear Denver Keeling,**

I am excited to be applying for the position of agent manager. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for guidance and assistance to departments, sections, units and programs regarding improvements needed to monitor and ensure compliance with regulations & standards for TJC, DPH and CMS.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Successful track record of managing product/structural change and technology implementation
- Salt Lake City
- Direct experience in UCaaS or UC sales
- Computer proficiency in Microsoft Office Suite products (Outlook, Word, Excel, PowerPoint)
- Bilingual English and Chinese or English and Korean
- The role holder is a major influencer of the partner strategy and business performance
- Minimum - Significant demonstrable track record and results in channel / partnership management
- Minimum - Experience of operating in an indirect working environment and substantial sales and marketing experience in a channel sales environment including competitor information

**Thank you for considering me to become a member of your team.**

Sincerely,

Brooklyn Raynor
