

# Agile Scrum Coach Cover Letter

1890 Aaron Forest East Rutherford, NJ 94071

**Dear Morgan Lakin,**

I submit this application to express my sincere interest in the agile scrum coach position.

Previously, I was responsible for agile Process coaching to scrum teams & product management within the region as part of the Agile Operating Model program.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Organize sprint planning, refinement, retro, review, break out, daily stand-up sessions with the teams
- Advanced experience with agile and waterfall requirement management tools, doors, polarion, jazz, gira
- Excellent leadership, coaching, negotiation, facilitation, collaboration, presentation & training skills
- Java, .NET, Distributed Architecture
- Service to the Product Owner
- Service to the Organization
- Deliver Quality Software
- Strong understanding of Agile principles, concepts, and ceremonies

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Phoenix Batz
