

# Agile Scrum Coach Cover Letter

187 Jesse Mews East Christopher, UT 69265-8353

**Dear Peyton Heidenreich,**

In response to your job posting for agile scrum coach, I am including this letter and my resume for your review.

Previously, I was responsible for practical hands on mentoring to team members, Scrum Masters, Product Owners and managers of new and existing Agile teams.

Please consider my experience and qualifications for this position:

- Additional current Scrum certifications
- Experience with group communication and facilitation
- Experience with starting and forming teams
- Experience with delivering in at least one agile framework, including Scrum, Lean, Kanban, XP, SAFe, or LeSS in the role of a Scrum Master, delivery facilitator, or Agile coach
- Agile Certifications, including CSM/PSM, PMI-ACP, ICAgile ICP, ATF/ACC
- Establish international teams using agile / scrum methodology to enable digitalization of the Power and Gas Engineering Solutions value chain
- Motivate, coach and train international scrum teams to establish team spirit and incremental development
- Report on efficiency, velocity of teams and impediments

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Sam Hyatt
