

Aircraft Electrician Cover Letter

6905 Grant IslandsRaleighhaven, OH 47820-5440

Dear Corey Davis,

Please consider me for the aircraft electrician opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for feedback to operations, sales, Technical Support Center and Quality Assurance on system product functionality, service task information necessary to maintain quality and competitive standards.

Please consider my experience and qualifications for this position:

- Mathematics knowledge
- Excel, Word and Outlook knowledge
- Experience in processing MES work instructions for part and assembly fabrication
- Able to support multiple shifts as needed
- Experienced in fabrication of electrical assemblies in accordance with Aerospace Standard AS50881 Wiring Aerospace Vehicle, MIL-DTL-38999 connector termination, assembly and installation
- Aircraft AC and DC electrical systems, wire marking standards
- Troubleshoot difficult electrical system malfunctions
- Work from information such as schematics, specifications, assembly drawings, and standard operating procedures

Thank you for considering me to become a member of your team.

Sincerely,

Quinn Kling
