

Aircraft Painter Cover Letter

4562 Benito Islands East Isreal, TN 75963

Dear Finley VonRueden,

In response to your job posting for aircraft painter, I am including this letter and my resume for your review.

In the previous role, I was responsible for technical specialty support in the: evaluation, interpretation, determinations of requisite corrective actions, performance and operational status of specialty specific aircraft systems and components.

Please consider my experience and qualifications for this position:

- Respirator certification
- Able to be subject to areas which could cause various phobias due to height or closed spaces
- Minimum of 9 months painting/surface prep experience in an aerospace, automotive, military, manufacturing and/or maintenance environment
- Tech School preferred
- High Level of Understanding of blue print reading, work instructions
- High Level of tooling & fixturing knowledge and use
- High Level of understanding of paint tooling maintenance
- Inventory Maintenance/Tracking/Ordering experience

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Haven Durgan
