

# Aircraft Painter Cover Letter

7376 Royce Plains South Kalynburgh, VT 70881

**Dear Onyx Batz,**

I am excited to be applying for the position of aircraft painter. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for engineering support to FAA designees in the development of STC data and military aircraft modifications.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Perform all work in a safe and timely manner
- Aviation or previous painting experience is preferred
- Minimum of 3 months painting or surface prep experience in an aerospace, automotive, military, manufacturing and/or maintenance environment
- Completion of A&P certificate program
- Experience using gloss paint products is preferred
- Sanding aircraft composite and metal surfaces
- Painting processes and techniques and common shop practices
- Interpret blueprints, sketches and written and verbal instructions

**Thank you for your time and consideration.**

Sincerely,

Gray Bogan
