

Aircraft Painter Cover Letter

51703 Mario Parkway New Yoshie, IN 43848-3197

Dear Ari Lakin,

I submit this application to express my sincere interest in the aircraft painter position.

In the previous role, I was responsible for information and recommendations related to safety and airworthiness of aircraft for dispatch and landing.

Please consider my experience and qualifications for this position:

- Assist with maintenance at off-site locations as needed
- Assist with moving aircraft into bay as needed
- Remove aircraft panels for inspection as needed
- Setup and operate all power assisted and power operated benders
- Form and modify various types of tubes on all types of tube bending equipment
- Square, burr, identify, mask, cap, preserve, apply color codes, cut, bend, route and install to determine size and shape of tubing, cables and hose working to aircraft and aircraft mock-ups
- Cut, bend, flare and bead tubings
- Blend, apply stripes and bands

Thank you for taking your time to review my application.

Sincerely,

Sawyer Yost
