**Dear Bellamy Bogisich,**

I would like to submit my application for the airline manager opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for direction and management for investment projects, light industry projects, commercial and residential projects which includes coordination, scope management and overall implementation of the project to meet project goals and objectives.

Please consider my experience and qualifications for this position:

- The jobholder needs to develop a thorough knowledge of DHL, numerous internal department functions, Aviation Regulation and legislation together with general aviation experience
- Understanding of the cultural diversity of the covered territories
- Able to manage a large group of employees
- Clear and concise communicating skills in English
- A flexible working pattern and able to cope with extremely stressful situations at most times
- Previous Aviation experience either in an airline or MRO
- Excellent knowledge of aircraft spare parts
- Knowledge of ERP (TRAX) system a distinct advantage

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Frankie Gottlieb
