

Analyst, Acquisition Cover Letter

2462 Keebler Mountains Oberbrunnerchester, DE 98348-9129

Dear Rory Harvey,

I submit this application to express my sincere interest in the analyst, acquisition position.

Previously, I was responsible for data analysis and strategic insights to help accelerate lead generation, conversions, and revenue from paid search, SEO, and other digital and traditional marketing channels.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- A good understanding of the South African recruitment market and local / global sourcing channels
- Experience in working with business workforce plans to forecast resourcing requirements preferable
- Experience in managing through KPIs
- Hands-on experience with budgeting/forecasting software
- Frequent interaction with other departments and divisions, internal and external auditors
- Advanced knowledge in Excel with demonstrated analytical skills and attention to detail
- Provide expertise in FMS case management from pre-LOA throughout execution
- Provide expert knowledge to support DoD acquisition and business management

I really appreciate you taking the time to review my application for the position of analyst, acquisition.

Sincerely,
