Dear Baylor Jerde,

I submit this application to express my sincere interest in the analyst, acquisition position.

Previously, I was responsible for recommendations for Search Engine Optimizations ("SEO") across all global markets, monitoring and evaluating performance across the major search channels.

My experience is an excellent fit for the list of requirements in this job:

- Demonstrated interest in real estate or project finance
- Experience with financial modeling including producing cash flow models, IRR computations and discounted cash flow valuations
- Passionate for performance marketing and games!!
- Past experience working with data preferred
- Knowledge and experience of Total Life Cycle System Management (TLCSM)
- Experience with DOD (Army) acquisition logistics functions
- Requires Government contracting experience
- Solid working knowledge of tools and methodology of QA

Thank you for your time and consideration.

Sincerely,

Hayden Purdy
