

# **Analyst, Application Support Cover Letter**

7024 Paris Row North Sherrietown, AR 01183-2741

**Dear Campbell Padberg,**

I submit this application to express my sincere interest in the analyst, application support position.

In the previous role, I was responsible for ongoing consultation, functional support, and training to ensure effective understanding of software, systems, and tools to business partners and end-users.

My experience is an excellent fit for the list of requirements in this job:

- Experience with creation and utilizing scripting languages
- Software performance engineering/testing
- BCP Planning
- Experience working in the ATM or kiosk self-service industry
- Experience working in a support capacity in a time sensitive environment
- Reporting tool experience (Eg
- Understanding of ISS services, Autosys, SSRS, and Qlikview
- Requires guidance on tasks initially and requires supervision

**I really appreciate you taking the time to review my application for the position of analyst, application support.**

Sincerely,

Royal Christiansen
