

Analyst, Application Cover Letter

40623 Dach FallsVonport, SD 63094

Dear Indigo Paucek,

In response to your job posting for analyst, application, I am including this letter and my resume for your review.

In the previous role, I was responsible for phone-based support and procedural guidance on basic PC operations, specialized store software, hardware, and network questions.

Please consider my qualifications and experience:

- Self-motivated, able to learn quickly, work independently on project teams, and be flexible in a multi-site environment
- Understanding of QA principles and their utilization
- Demonstrable knowledge of medical terminology and healthcare/medical concepts
- Familiarity working with large datasets and relational databases including SQL and Microsoft Access
- Experience with ArcGIS, ArcGIS Server and ArcFM is preferred
- Experience with Microsoft Outlook, Excel, Word, Access, and PowerPoint needed
- Experience with SharePoint site support and maintenance
- Understanding of Microsoft Internet Information Services (IIS) administration and configuration

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Casey Dicki
