

Analyst, Application Cover Letter

882 Leannon Valley North Danialmouth, FL 12714

Dear Finley Crona,

I would like to submit my application for the analyst, application opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for ongoing training to PSECU business units, specific to all aspects of the third-party risk management process.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Delivers consistently on customer commitments
- Experience with OSISoft PI
- Experience with data Analytic tools like
- Tableau/Birst/PowerBI/R/Python/Matlab/Machine learning
- Experience with AI
- Expertise in PowerApps, Flow, Teams, Stream, Forms, OneDrive for Business, and other Office 365 features and how to refactor older solutions to these newer tools
- Experience in designing and building integrations between enterprise applications
- Knowledge of Microsoft Operating Systems and experience providing business intelligence utilizing manufacturing process data

Thank you for your time and consideration.

Sincerely,

Zion Bogisich
