Dear Avery Ledner,

Please consider me for the analyst information opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for dIACAP / Risk Management Framework (RMF) and accreditation documentation management, updates, and configurations.

My experience is an excellent fit for the list of requirements in this job:

- A strong understanding in application security and technologies
- Knowledge of OWASP Top 10, SANS Top 20 and industry standard security best practice
- Strong knowledge across Information Security domains
- Understanding of Data Protection Principles and industry standards such as ISO27001, UK Government CESG Top10 & PCIDSS
- Available occasional off-hours on-call for security incidents and escalations
- Expert in TCP/IP, network packets analysis, firewall technology, IDS/IPS technology
- Expert with SIM, event correlation technologies
- Experience with various network, DNS, web, VPN and perimeter protection technologies

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Zion Bogisich
