

Analyst, Regulatory Compliance Cover Letter

17801 Murray InletNew Heriberto, PA 68507-2076

Dear Ari Nitzsche,

I would like to submit my application for the analyst, regulatory compliance opening. Please accept this letter and the attached resume.

Previously, I was responsible for strategic advice for the Canadian Banking Compliance portion of major projects within Scotiabank Global and Canadian Banking Compliance for all businesses under the VP's management, as appropriate, as well as acts as the key Canadian Banking Compliance partner in other strategic projects.

Please consider my qualifications and experience:

- Excellent Regulatory Change Management experience
- Previous experience with platforms such as Mantas and/or NetReveal will be considered an advantage
- Apply comprehensive technical knowledge of the regulations to transactions, issues and projects
- File export license applications with relevant export (EU/UK and US) authorities, monitor and maintain records
- Establish and drive business and operational projects to completion
- Perform compliance audits/self assessments on non US subsidiaries
- Oversee Cash compliance process and procedures for domestic and LA transactions
- Generate and maintain metric reports and establish operational trends

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Casey Adams
