

Analyst, Research Cover Letter

82686 Senger MeadowsPort Hilton, DE 88797-3777

Dear Landry Bergnaum,

In response to your job posting for analyst, research, I am including this letter and my resume for your review.

In the previous role, I was responsible for research and analytical support around intelligence covering macroeconomic, sectoral trends, competitor information, industry analysis, financial information, qualitative and quantitative information assessments.

Please consider my experience and qualifications for this position:

- BA/BS, preferably in related field (including business, statistics, marketing, media, communications, film/TV)
- Able to work independently & efficiently with supervision
- Proficient in Microsoft Word/Excel/PowerPoint/Outlook/Adobe Acrobat
- Interest in television programming, scheduling and quantitative research
- Participation in, completion of or willingness to undertake the CFA program is highly preferred
- This individual will display the personal characteristics of self-confidence, resourcefulness, self-motivation, and discipline
- Real estate research experience and database familiarity
- Accuracy, attention to detail, organizational/prioritization skills

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Story Toy
