

# Analyst, Support Cover Letter

19742 Kasey ShoalsHerzogberg, NE 56136-2592

**Dear Sawyer Zboncak,**

Please consider me for the analyst, support opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for for system continuity by developing backup and recovery processes and procedures to support recovery from hardware and application failures.

Please consider my experience and qualifications for this position:

- Experience in Oracle forms and reports (11g and above is preferable)
- SC/CTC clearance
- Strong attention to detail, creative problem solving
- Aptitude for information systems is highly regarded
- Familiarity with standard concepts, practices and procedures within the cyber security field
- Associate's Degree in Computer Science or related field is preferred
- BA/BS in Business or Computer Science or equivalent experience
- Good understanding of performance tuning capabilities

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Lennon Becker
