

# Android Developer Cover Letter

1427 Mimi BridgeLake Lamontside, TX 46664

**Dear Robin Larkin,**

In response to your job posting for android developer, I am including this letter and my resume for your review.

Previously, I was responsible for end to end product leadership for Android application.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Able to work onsite during normal business hours at
- Experience working on a Scrum team is preferred
- Functions in a high-paced, cross-functional environment
- Professional, respectful and passionate
- High Personal Responsibility and Autonomy
- High Quality and Productivity awareness
- Strong knowledge of Java Core, Android SDK
- Experience building mobile applications on Android

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Parker Kub
