

# AngularJS Developer Cover Letter

8864 Quincy SkywayIleenberg, NM 79025-3735

**Dear Lennox Tromp,**

I submit this application to express my sincere interest in the angularjs developer position.

In the previous role, I was responsible for thought leadership, recommendations to management based on best practices and experience working in a global and diverse environment.

Please consider my experience and qualifications for this position:

- Effective team member on diverse and different teams
- Experience with AngularJS or similar JavaScript solutions
- Experience building front-ends against .NET back-end services
- Ready to possible pair programming
- Ready to shift working hours to overlap with New York hours
- Solid knowledge of HTML, CSS, Java and Node
- Working experience with AngularJS 1.6 or 2.0 (will be working on a mixture of 2 or 4)
- Experience working on a public facing website

**Thank you for taking your time to review my application.**

Sincerely,

Denver Turcotte
