

Animal Care Attendant Cover Letter

5548 Rippin Viaduct East Stefania, WA 59057

Dear Ari Borer,

I submit this application to express my sincere interest in the animal care attendant position.

Previously, I was responsible for animal care: (feeding, medication, cleaning, restraint, transportation, etc.).

Please consider my experience and qualifications for this position:

- Enthusiasm for providing excellent care for our neurologic patients
- Interested in assisting with anesthetic induction and recovery
- Maintain stock and inventory
- Assist with laboratory work and diagnostic imaging
- Experience as an ACA +/- CSR or equivalent, preferably in a referral/emergency setting
- Pride in maintaining assigned areas in a hospital environment
- Knowledge of animal behavior, restraint, feeding and basic sanitation
- Exotic animal handling skills

Thank you for your time and consideration.

Sincerely,

Stevie Osinski
