

Animal Care Attendant Cover Letter

125 Gibson Spur Sauerhaven, NM 58655

Dear Rory Bosco,

I submit this application to express my sincere interest in the animal care attendant position.

In my previous role, I was responsible for quality assurance, including animal health surveillance, monitoring of the effectiveness of facility sanitation, cage washing and autoclaving procedures, receiving, quarantine and remove animals as required.

My experience is an excellent fit for the list of requirements in this job:

- Admitting and discharging pet patients
- Previous customer service or front desk experience in hospitality or retail is an asset!
- Schedule will include University holiday and calendar holiday coverage
- Supervising 20+ dogs in a group play setting, "Doggie Lifeguard"
- Assisting Doctors, Technicians and Vet Assistants
- Supervising animals during yard time
- Documenting all behavior/appetite changes of animals in boarding
- Assisting Doctors and Technicians and CSRs when necessary

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Charlie Johnson
