

Animal Care Cover Letter

5581 Ernest FlatPort Lavonetown, IL 46475

Dear Ari Lindgren,

I submit this application to express my sincere interest in the animal care position.

Previously, I was responsible for investigators assistance with animal housing/procedure rooms set up, fogging, equipment set up, specialized water and caging requests as they pertain to individual species and research projects.

Please consider my experience and qualifications for this position:

- Flexibility to work varying schedules, including weekends, holiday, and evenings to accommodate business needs
- Demonstrated proficiency and accuracy in basic mathematical computation
- Human resource skill
- Be flexible with their schedule and able to work at least one weekend day and Holidays
- There are occasional unpleasant work elements, but the work environment is generally comfortable
- AALAS certification (ALAT, LAT, or LATG) or equivalent
- Knowledge of various species of laboratory animals used in academic or pharmaceutical research
- Knowledge of the "Guide for Care and Use of Laboratory Animals."

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Denver Kub
