

Appeals Analyst Cover Letter

754 Marc StationDonnburgh, NH 55884-4865

Dear Ari Barrows,

Please consider me for the appeals analyst opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for support for inquiries or issues related to credentialing, reimbursement, claims processing, and other operational departments related to contract.

My experience is an excellent fit for the list of requirements in this job:

- Strong computer, analytical, written and oral communication skills
- Bachelor of Arts (B.A.) or Bachelor of Science (B.S.) in related field -or
- Experience in process improvement, staff training, technical writing, business or consumer correspondence and policy/procedure development
- Requires strong analytical and logical thinking
- Requires use of good grammar, diction and articulation
- Prefer knowledge of CPT-4 and ICD-9 coding
- Previous claims procedure or adjustment experience preferred
- Familiarity with medical coding and medical terminology preferred

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Sutton Kertzmann
