

Apple Cover Letter

4976 Koepp ParkwayNew Jeffreyton, NC 27290

Dear Tatum Senger,

Please consider me for the apple opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for and sell product information, pricing, special offers and promotions and be able to negotiate them.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Enthusiasm for platforms and developers
- Proven analytical and problem solving skills with attention to details
- Intermediate to advanced experience with Excel, Business Objects and SAP
- Excellent data and statistical analysis skills
- Superb listening, verbal, and written communication skills (including presentations)
- Intermediate knowledge of enterprise networking and server technologies (Active Directory, TCP/IP, DHCP, DNS, WAN/LAN, VPN, Switches/Routers)
- Self starter able to complete tasks with minimal instruction and supervision
- In-depth and broad knowledge in datacenter infrastructure and engineering

I really appreciate you taking the time to review my application for the position of apple.

Sincerely,

Riley Stracke
