

Application Consultant Cover Letter

7861 Jerde LocksNorth Robbyland, WA 09639-1355

Dear Phoenix DuBuque,

I am excited to be applying for the position of application consultant. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for a Release Management role for the promotion of application development code and configuration versions between environments.

Please consider my experience and qualifications for this position:

- Experience with Legal practice management software system implementations preferred (Elite Enterprise, Elite 3E or similar)
- Strong experience in General Ledger in a multi-currency/multi-unit environment or a credible/strong understanding of accounting principles
- Carry out research and requirements collection to understand the manufacturing process flow
- Conduct analysis of manufacturing business and process flow
- Interview the client's employees, management team and other stakeholders
- Run focus groups and facilitate workshops
- Prepare business proposals and presentations
- Competency in using standard desktop applications for word processing, spreadsheets, desktop publishing, and project management

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

River Nolan
