

Application Consultant Cover Letter

653 Alisha TunnelJeromeside, MD 07012

Dear Greer Schneider,

I submit this application to express my sincere interest in the application consultant position.

In the previous role, I was responsible for source code and technical details to IEO IT Specialist on the changes made.

Please consider my qualifications and experience:

- Hands-on individual and be able to work with local and off-shore teams to deliver projects on the technical aspects
- Knowing Adobe tools
- Graphical skills
- Readiness to occasionally switch projects and or technologies
- In-depth knowledge of the software development processes and methodology
- In depth knowledge of the application architecture
- Understanding of SDLC Experience with an OO programming language (Java, C#, Ruby, Python, PHP, Javascript)
- Design and develop Salesforce systems, including integration to other back-end systems

Thank you for your time and consideration.

Sincerely,

Parker Abshire
