

Application Senior Developer Cover Letter

66366 Cummerata IslandJacobson, WI 99659

Dear Blake Leannon,

I would like to submit my application for the application senior developer opening. Please accept this letter and the attached resume.

Previously, I was responsible for technical expertise and support in the design, development, implementation and testing of customer tools and applications.

Please consider my experience and qualifications for this position:

- Experience with JavaScript, jQuery, Ajax and HTML/CSS
- Experience with SQL optimization and database schema design
- Some Exposure to Python
- C#, .NET 4.0 or greater
- MS SQL Server and SSIS
- Strong knowledge in server side development (multi-threading, memory management)
- Experience within the Microsoft toolset, C#, ASP.Net, Entity Framework, MVC, and SQL Server
- Experience using HTML, CSS, Bootstrap, Foundation, and AngularJS or other newer JavaScript frameworks

Thank you for considering me to become a member of your team.

Sincerely,

Armani Gutmann
