Application Senior Developer Cover Letter

73465 Allen MountainsBeckermouth, ND 11997-5102

Dear Azariah Altenwerth,

I would like to submit my application for the application senior developer opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for support, including testing, for IT staff in the development of enhanced tools for Verscend's proprietary ReconEdgeTM.

Please consider my qualifications and experience:

- Proficiency in client-side frameworks such as ReactJS with an emphasis on structuring a large web applications
- Proficiency with MongoDB
- Familiarity with microservices
- Exposure to MuleSoft or other API Management or ESB technologies
- HTML5, CSS3, Javascript and related frameworks development
- SOAP and RESTfull Web Service development
- Development team leading
- C# experience is desirable

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Gray Roob
