Application Support Cover Letter

1606 Tameika ShoresLake Demetricemouth, MI 98695-6118

Dear Morgan Dach,

Please consider me for the application support opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for level 1 and additional problem determination and support for specific Marriott supported applications using documented procedures and available tools.

Please consider my experience and qualifications for this position:

- Any exposure to mobile apps support (IOS, Android)
- MS SQL Server Reporting Services/Integration Services
- HTML, HTML5, XML, XSLT, CSS, CSS3, java script, AngularJS
- Knowledge of manufacturing and related business processes, finance/accounting principles and practices, pricing, sales
- Enterprise Monitoring and Alerting Tools knowledge - APICA, App Dynamics, Geneos, Nagios, Foglight, etc
- Enterprise Job Scheduling Tools, Control-M, AutoSys
- Web services, IIS, Apache/Tomcat
- Server Administrative skills/experience

Thank you for your time and consideration.

Sincerely,

Sutton Thompson
