**Dear Finley McLaughlin,**

I am excited to be applying for the position of application support. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for subject matter expert advice for best practices development in ALM environment and usage of Atlassian tools.

Please consider my experience and qualifications for this position:

- Comfortable communicating complex concepts to others having diverse levels of seniority and technical competence
- Sharing knowledge, coaching others and promoting team values
- Knowledge of clearing systems/market technology
- Familiarity with "Follow the Sun" methodology in a global environment
- Experience of working in the financial markets
- Experience working with a high pressure environment
- Proactive and results oriented, sets high standards of performance
- Client focused, identifies and anticipates client requirements

**Thank you for taking your time to review my application.**

Sincerely,

Alexis Orn
