

Architectural Intern Cover Letter

583 Dooley Forge West Gary, MT 33480-4623

Dear Armani Mann,

I am excited to be applying for the position of architectural intern. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for review and analysis of vulnerability scan results from tools such as Nessus, Qualys, AppDetective, WebInspect, IBM AppScan, Burp Suite, etc.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- A junior, senior, or graduate level student in a recognized Architecture, Drafting, Facilities, Construction Management, or related program
- Experience organizing construction documents
- Experience using Revit, AutoCAD, and supporting technologies in a professional office
- Proficient with MS Office suite (Excel, Word, Outlook, OneNote, Access)
- A current student, or
- A student, or graduated student, within the last 12 months
- Physical model making
- Basic knowledge of AutoCAD, Rhino, Adobe Creative Suite

Thank you for taking your time to review my application.

Sincerely,

Ari Carroll
